## Our Vision/Mission

The vision is for our students to become lifelong learners with a keen awareness on global issues affecting our society. In turn, this creates international-minded students whose focus is on outcomes that impact the future as well as the present. It is with this belief that stakeholders will enable, inspire, and engage students and successfully attain both personal and professional goals.

The mission of North Dade Middle School's International Baccalaureate Middle Years Program is to build a team of champions by performing all tasks related to increasing students' academic and social competence; extending towards the belief that students will be successful and productive components of our community at large.
